DIRECTOR'S MESSAGE

Education is not only essential for career development but also it is necessary for whole development of personality.

We strongly believe that every student is a unique person with his or her own set of abilities, needs and aspirations. We at Atharva College of Pharmacy are committed to bring out that uniqueness.

Besides academic excellence, the college is committed to inculcate in all its students, strong ethical values of integrity, politeness, kindness and respect for elders. I firmly believe that education should foster confidence, discipline, clarity in thought and decision-making ability to set and achieve goals, and above all, social responsibility as a life-long process.

Best wishes to all.

Dr. Bharti Sahu

Director
